

# SWITZERLAND GLOBAL ENTERPRISE

YOUR PARTNER IN  
INTERNATIONAL BUSINESS

---

The background of the slide is a photograph of a port. A large yellow and black striped crane hook is suspended in the air, holding a white shipping container. Below it, several other shipping containers are stacked, including a blue one, a red one, and another white one. The sky is blue with some white clouds.

## S-GE at a glance

- Non-profit organization with more than 2,100 members
- **Export promotion:** on behalf of the Swiss Confederation (SECO) since 1927

# The Swiss Medtech Expert Group Foreign Trade

## Who we are

- We are a group of fourteen Swiss Medtech member companies
- We focus on topics around the export of medical devices – from market access strategy to trade issues
- We aim to create a network of people and organizations to provide mutual support and share best practices

## Who can join

- Members of the expert group are typically CEOs, Heads of Import/Export, International Sales or Business Development, or export specialists of Swiss Medtech member companies who deal with foreign trade at a strategic and/or operational level.
- Non-members of the expert group and Swiss Medtech can join our events as guests
